

# MIKE ELFORD'S DRAFTPICS

## Photo Day Proposal

2025 SEASON

### THANK YOU!

Thank you for your consideration in bringing the DraftPics PhotoDay experience to your organization. DraftPics was created to showcase athletes and their love for the game. Using great lighting, and expert posing we hope to motivate and inspire all athletes regardless of age or ability to work harder, player harder and really celebrate who they are.

We'd love the opportunity to represent your organization through creating a fantastic experience for your players and their families.
